

Welcome to the Center for Disability Rights' eighth annual Wheel-A-Thon.

This year, funds went to five scholarships for students with disabilities and to provide supports for the participants in our Youth Transition Project (YTP). Currently, there are 18 young adults participating in Shoreline/Estuary YTP and the Greater New Haven YTP. They are learning to self-advocate and achieve their individual goals. Also, with your contributions, we are finally opening a satellite in Clinton, CT.

Thank you for your support and your participation, and have a great time at this unique event!
